Claims

[0035] I claim:

1. A fire hydrant protective cover and visibility marker;
  - A. a hollow body having an interior space,
    - I. the hollow body having a bottom portion, a middle portion and a cap portion,
      - a. the bottom portion having an opening for accessing the interior space,
      - b. the bottom portion having bottom portion diameter,
      - c. the cap portion having cap portion diameter,
        - i. the cap portion diameter being greater than the bottom portion diameter.

[0036] 2. A fire hydrant protective cover and visibility marker according to claim 1, further comprising;

- A. the bottom portion and middle portion being cylindrical in shape.

[0037] 3. A fire hydrant protective cover and visibility marker according to claim 1, further comprising;

- A. the cap portion being hemispherical in shape.

[0038] 4. A fire hydrant protective cover and visibility marker according to claim 3, further comprising;

A. the bottom portion and middle portion being cylindrical in shape.

[0039] 5. A fire hydrant protective cover and visibility marker according to claim 1,  
further comprising;

A. the middle portion having middle portion diameter,

I. the middle portion diameter being equal to the bottom portion  
diameter.
